PHILLY'S ACAPPELLA GROUPS

Throughout the years, Philadelphia has been at the forefront of street corner acappella singing. Here's are some of our acappella groups over the years. Most, but not all, recorded. Those listed here that didn't record, at least made radio or live performances. This list is broken down into eras: the 60's or first wave of acappella; the 80's resurgence; and finally groups that have been active over the past ten plus years. Some groups that started in the 80's are still very active but we've listed them in the era they started.

Sixties (First Wave)

Compulsions, Contenders, Distinctions, Durhams, Five Fortunes, Five Scripts, Froggy & Destinations, Illusions, Lytations, Natural Facts, Potentials, Q-Tones, Regencies, Sands, Satan & Angels, Vibratones.

Eighties (Second Wave)

A Moments Pleasure, Acappella Gold, Balladeers, Charm (Philly), Delane Brothers, Destinations, Ecstasies, Five Grand, Foundation, Golden Hearts, Keystoneers, Memories, Memory Lane, Neighbors Complaint, New Emage, Nostalgia Five, Omega Five Maestros, Reminisce, Reunion (Ocean Co., NJ), Solid Gold (Philly), Sound & Soul, Spontaneous Combustion, Street Corner Five, Street Corner Unity, Street Dreams, Tycoon, Zip Codes

Modern Age

45 RPM, 49th Street, 5/3 Woodland, A Perfect Blend, Accords, Bandaleers, Classic Harmony, Cornerstone, Credentials, Doo Wop Depot, Dukes of Doo Wop, Emeralds, Flashback, Frankie & Fashions, Hearts Of Stone, Junior & Four Seniors, Mid-Life Crisis, Mintones, N-2-Deep, New Harmony, Norristones, Now & Then (Philly), Quiet Storm, Relatives By Appointment, Remember When, Rick & Masters, Royal Blue, Second Chance, Sleepless Knights, Stan & Topics, Steel Belted Radials, Time Was

Can you identify the 1955 North Philly group on the cover? Like many who sang here, their names have faded but their harmonies are still heard in the voices of the hundreds of groups who came after them. A Philadelphia legacy lives on!
